Director's Message

Dear Students,

You are at a pivotal stage in your career, where every decision holds significant value. Welcome to Yukti Classes. We believe in demonstrating our capabilities through action, not just words. Throughout your journey to crack competitive exams, we will serve as your friend, guide, and mentor. We are committed to being your trusted companion, guardian, philosopher, and guide as you strive toward success in your academic endeavors.

Our objective is to provide structured training that not only enhances your knowledge but also fosters the determination to excel. We believe every individual should be given the opportunity to realize their potential and contribute to social development through their skills. With a team of highly qualified faculty members and an advisory board of experts, we are dedicated to delivering the highest standards of education. We fully understand the importance of making the right choices for your future.

We are confident that your life will experience a significant positive transformation, and the term 'SUCCESS' will no longer be an aspiration but a reality. Join us, and together, we will work toward turning your dreams into achievements. Rest assured, your dreams inspire us, and your destination is our goal.

With Love and Best wishes

About US

Yukti Classes is an IIT alumni body dedicated to offering training and guidance to students aspiring to gain admission to the country's premier engineering, medical, and science institutes. We achieve this through an optimal combination of highly qualified faculty, comprehensive study material, and regular assessments and monitoring. All the study programs conducted by Yukti Classes are meticulously designed, developed, and coordinated by a core team of IIT alumni, ensuring the highest standards of education.

Our aim is to provide quality education at affordable fees to students from standards 8 to 12, including preparation for competitive entrance exams such as MHT-CET, JEE, and NEET.

Our Mission

Yukti Classes offers comprehensive training and guidance to students aspiring to gain admission to the country's premier engineering, medical, and science institutes.

We provide highly qualified faculty, extensive study materials, and regular assessments and monitoring. All the study programs conducted by us are meticulously designed, developed, and coordinated by a core team of highly qualified faculty members. With a core team possessing over a decade of experience in the education sector, we have an in-depth understanding of the academic journey. This expertise enables us to effectively plan, train, and execute strategies that lead to success.

The mission of Yukti Classes is to integrate the academic life of the institution into the student's environment, leveraging our vast experience to meet the educational and developmental goals of our students both inside and outside the institute, thereby empowering them to succeed in the classroom.

RULES AND REGULATIONS

Discipline, regularity and good behaviour are expected from the students.

1. Attendance in the class must be regular. Students are advised to be regular as lectures are interconnected. Any absence due to unavoidable circumstances must be justified by a leave note signed by the parents.
2. Students are required to know the time table and changes made later on ,if any.
3. Topics missed out owing to absenteeism will not be taught again. If a student missed a lecture due to unavoidable reasons, they should collect the notes from their friends, study them, do the homework ,and get any doubts/ difficulties clarified by the concerned teacher.
4. Home work assigned must be attempted sincerely.
5. The student should carry his Identity Card, Bag, & Uniform when he/she comes to the institute.
6. Students are not allowed to Chew gum or use cellphones in class. Students must switch off their mobile phones/keep their mobile phones on "silent" mode during lectures. Violation of this rule will lead to the confiscation of the cell phone.
7. Students must not write on walls or furniture or carve names on wood-work. The cost of any damage done will be recovered from the students.
8. Instructions posted on the notice board must be followed strictly.
9. A student may be sent back home by the teacher for one of the following reasons : Not doing homework, Disturbing the class, Any act of indiscipline, Non payment of fees by the due date
10. Any student who is persistently insubordinate, wilfully mischievous or is guilty of malpractices in connection with examinations or has committed acts of serious indiscipline or who in the opinion of the management has an unwholesome influence on his fellow students may be expelled permanently. The decision of the management in this regard will be final and binding on the student. No fee will be refunded in such cases.
11. Parents are requested to regularly follow-up with the office regarding the attendance and progress of the student. Parents and guardians are requested that their help and cooperation is needed to get the maximum output from the student. They are, therefore, earnestly requested to encourage regularity and discipline, and ensure that their children study regularly and do their homework sincerely.
12. Management has the discretion to arrange extra lectures at its convenience. The institute reserves the right to segregate the top rankers so that they can be taught at a faster pace. Appointment ,arrangement, alteration or removal of teaching staff ,non teaching staff /Faculties/ timetable/ study material shall be the sole discretion of the management / Company.

13. REFUND OF FEES
